Actually loving this package - all I would change would be the origins of viewing models - they are a little bit big and approach but other than that no problem and would like to see more like that brotha .:

4 Auric Dragon Desert Eagle The Auric Dragon Reskin brings a touch of class to your tired old deagle.. For a good modern choice check out the powerful Striker 7 Snark M4A1 This great great compensation to M4A1 looks like if it comes from modern Call of Duty games.. If there is any other value to your liking M9 PROBIS III-blade perfect in place of the original valve.
